April 1, 2020

Dear members and friends,

As the "Stay At Home" directive is still in place, Congregation Bamidbar will remain closed through April 30. By supporting this directive, we are all helping to stop the spread of COVID-19. One of our most basic principles in Jewish law and faith is that human life comes first. Staying at home and maintaining a social distance is truly a mitzvah for our whole community during these unprecedented times. We will continue to keep you informed of further closures or the reopening of our synagogue.

The Board appreciates your understanding and we look forward to being able to gather again for services, classes and fellowship. If you need anything, please reach out to one of us for assistance.

Shalom and be well,  
Your Board of Trustees
