Dear Congregation Members and Visitors of Bamidbar,

As we approach the High Holiday season this year we begin to think about the past year and the family members who are no longer with us. Our congregation has a 40+-year tradition of compiling a **Book of Memory** with the names of these beloved family members to be read during the Yizkor services. The Book of Memory **is a major fundraiser** for the congregation, one that we want and *need* to continue year after year. We would like to invite all members, former members and visitors to help us review and revise the list of names that are contained in our **Book of Memory** and our weekly Yahrzeit list. We are asking for a donation of \$10.00 per name for this reading.

Your check and enclosed information will need to be sent to the above listed P.O. Box by August 25, 2021 to be included in this year's list. Please use the self-addressed envelope enclosed to return your information and check. We thank you for participation in this needed fundraiser and for helping keep our loved ones memories a blessing.

If you participated previously, you will find a list of the names you paid for and that were read. Please re-read your personal list, add and subtract names as you see fit and return the list with a check for \$10 for every name listed. Make sure, if you add any names, that you include the month of their passing so that their name can *also* be read on the weekly Yahrzeit list during the appropriate month.

If you did not participate previously, we have included a blank form for you to fill out. Include any names you would like to have read during the High Holiday services, and again include the month of their passing so their names can also be included in the weekly Yahrzeit list, during the appropriate month.

Remember, even if you are not a member, but you pay \$10 for each name listed, those names will be read during Yizkor Services AND the weekly Yahrzeit list during Shabbat Services. If you have any questions you can email Sharon Rib at SharonR713@aol.com.
